LET'S GET TECHNICAL

This yacht is what we classify as an open yacht, it is the ideal yacht to spend the day at sea, the open boats have a large solarium area, it is ideal for groups or families who like to be together in the same environment.

These boats have 2 bedrooms, 2 bathrooms, a kitchenette, paddle surfing, snorkeling equipment, bluetooth music, and a solarium at the bow and stern with mattresses for sunbathing.

The stern has a bathroom terrace with stairs to access the boat from the sea.

In the central area of the boat there is an outdoor dining room with sofas.
